Dear Mr/. Morss:

This is to verify your reception of our station the morning of February 28, 1955. Your report was most accurate.

KCIL has in use the Gates C-1 transmitter, which uses two 810's in the final. Our tower is a Wind-charger 186 ft.

Our many thanks for your report, and here's wishing you the best of luck.

Sincerely,

H. E. Herron
Chief Engineer
