Dear Mr. Morss,

I am writing you in verification of your letter received yesterday in regard to our recent freq. check. of Feb. 2.

The information you gave was correct and thanks a lot for listening.

We are always glad to hear from you fellows as it gives us an idea of ~~what~~ what of what kind of signal we are putting out. Feel free to write any time and we will do our best to answer promptly.

How about giving us a listen again on March 2, from about 0200 to 0245 EST.

Thank you very much for your letter and let us hear from you again sometime

Very Sincerely Yours.
