
HAMMOND BROADCASTING COMPANY

Hammond, Louisiana

April 24, 1947

Mr. S. R. Morss
Route 3
Bradford, Mass.

Dear Mr. Morss:

Many thanks for your letter of April 21 st. This will verify your reception of signals from Station WSLA.

WSLA, a member of the Mutual Broadcasting System, operates with a power of 250 watts and serves the World's Strawberry Capitol and South Louisiana.

Wishing you lots of good listening.

Yours very truly,

Fred Lemieux
