Dear S. R. Morss,

Thank you for the notification of your monitoring of the WDIS radio signal. here is some further information on the talk programming we discussed and the radio station in general. The station is WDIS located on route 115 in Norfolk. We go by the name Discussion Radio and run a news/talk format seven days a week during daylight hours. The station's signal is one thousand watts and extends from the Providence, R.I. area up route 95 into the outskirts of Boston and along either side of that stretch towards Framingham and Canton. Thank you for listening and let us know if we can supply you with any additional information.

Very truly yours,

Kevin Convery
Station Manager
