

WGNR

The Voice of Westchester

NEW ROCHELLE BROADCASTING SERVICE, INC. • 524 NORTH AVENUE, NEW ROCHELLE, N. Y. • NEW ROCHELLE 6-1460

September 10, 1951

Mr. S.R. Morss
R-3
Bradford, Mass.

Dear Mr. Morss:

This is to verify your reception report of our broadcast of September 4, 1951. We are operating with 500 Watts at 1460 KC, non directional $\frac{1}{4}$ wave guyed tower.

Our transmitter and tower are located at 411 Fifth Avenue, New Rochelle, New York.

Thank you very much for your letter and good luck.

Very truly yours,

RADIO STATION WGNR

PETER FETRIDGE
Acting Chief Engineer
