

November 6, 1973

Mr. S.R. Morse
Route 3
Bradford, Massachusetts 01830

Dear Mr. Morse:

This will confirm your reception report of WGTR on October 30, 1973.

Thank you for your suggestion regarding DA-N...our Chief Engineer is studying the matter at the moment anyway. Power increase daytime with DA will also be fully checked out, and at the moment things look quite good for 50 KW.

Stay in touch.

Sincerely,

John H. Garabedian
President/General Manager
