Mr. S. E. Morss

R.R. #3

Bradford, Mass.

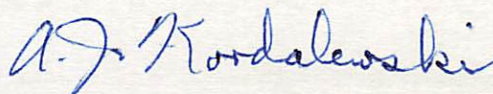

Dear Mr. Morss,

Thank you very much for your report on our signal which you heard during our equipment test of August 2, 1947. Your log of program material heard is correct.

WKOB will begin its regular sunrise to sunset operation about August 7, 1947. We would appreciate it very much if you would drop us a line if we are heard in your vicinity during the day time.

Thank you again and best regards.

Very truly yours,

A.J. Kordalewski
Chief Engineer
