Dear Mr. Morss:

Thank you for your signal report from Bradford, Massachusetts dated June 16, 1980. I am pleased to confirm your reception of Radio Station WKZE on 1170 KHz between 1058 and 1123 EDST on that date. Sorry about all the QRM from WJMQ, also on 1170.

As you know this station used to be WVLC and at the present we are using the same facilities and same two-tower directional array as before.

Again, thank you for your report.

73's,

Gordon D. Benoit
Chief Operator
