Dear Mr. Morss

We appreciate very much your fine letter reporting reception of WOCB.

As you no doubt know, we have been in operation here since May 6 and have had some fine letters from interested listeners.

Our transmitter is a Collins 300FA with Collins console and RCA monitoring equipment. Antenna is a Self-supporting tower 195 feet in height (quarter Wave).

Our broadcast schedule is 7.30 AM to 11.30 PM daily and 8.30 AM to 11.30 PM on Sunday.

Once again, thanks for your fine letter and we would appreciate hearing from you at any future time.

Yours truly
