Mr. S. R. Morss
Rt. 3, Bradford, Mass.

Dear Mr. Morss:

We are pleased to acknowledge and verify your reception report of Monday, November 21st, from 4:30 to 5:00 AM, EST.

Your report checks with our log of the special DX program which WTXL ran for the National Radio Club at that time. Apparently conditions were not at their best but you may be interested to know that we did receive reports from club members located throughout the Eastern and Central sections of both the United States and Canada.

This station most certainly appreciates your interest in logging us, and perhaps at some future date can arrange another broadcast for the club.

Cordially,
