Mr. Stanwood R. Morss
R. R. No. 3
Bradford, Mass.

Dear Mr. Morss:

We were very pleased to receive your communication relating to your reception on the morning of September 12, the morning we were broadcasting during hurricane Donna. We find, in examining your letter, that the various tunes you mentioned are not from our library and are probably those of WAKR or another station operating on our frequency. The identification you made of our electronics ad of 4:00:10 is correct, however, and we are very happy to verify your reception of said advertisement.

Thank you for your interest in our station, and we wish to congratulate you on the reception of our signals, since we radiate almost no signal in your direction.

Very sincerely yours,

J. G. Lenoir,
Station Manager
