Dear Stan,

Thanks very much for your report of reception of our special program for the National Radio Club from 4:02-30 to 5:16-30 Sunday morning, January 27, 1952. Your log of our programming was correct, and we are pleased to send you this verification.

21 reports so far, and WPAT bothered everyone a little or a lot, depending on location. Farther west, we were much stronger than WPAT. A complete report of reports received will be made to Sid Rosenbaum when it appears that all the mail is in.

The enclosed sheet was supposed to be a verification on our letterhead, but through misunderstanding, it came out on blank paper. Hence, this is the verification, and the enclosure is sent only for the information it contains. Sorry we haven't anything fancier, but this will have to do.

Again, thanks for your report.
