Dear Mr. Morss:

Thank you for your report of reception of WTBO on
12/25/43.

You will be interested in knowing that this was a
special test program pursuant to our change in
frequency beginning January 1, 1944, when WTBO
joins the NBC Network.

We now operate on 820 KC.

We would very much like to have a Daytime Report
some day after January 1st when you are listening
in.

Your interest is very much appreciated.

Very sincerely,

AURELIA S. BECKER
