BRADFORD, MASS.
01830

GOOD MORNING, MR. MOSS;

THIS LETTER IS TO CONFIRM THAT YOU DID INDEED RECEIVE WASY, 1590. BRADFORD, MASSACHUSETTS, THAT'S PRETTY FAR AWAY, BUT THE RECORD (ON THE SAME NIGHT YOU RECEIVED US) IS DELEWARE....HECK OVA SKY WAVE!! WE ALSO GOT UP TO MONTREAL THAT NIGHT. WHAT A DIFFERENCE FROM A STATION THAT USED TO HAVE TROUBLE GETTING ACROSS THE STREET. WE STARTED WITH A NEW FORMAT ON THIS STATION ON SEPTEMBER 4th, 1982 AS WDCI...THEN ON NOVEMBER 1st, WE GOT OUR NEW CALL LETTERS...WASY (which doesn't stand for anything). WE HAVE BEEN CONTINUALLY UPGRADING THE TRANSMITTERS (TWO 2500 WATT McMARTINS COMBINED TO 5000 WATTS DAYTIME, AND 2500 WATTS NIGHTIME). DO YOU KNOW OF ANY GOOD BUYS ON A HARRIS MW5?? (we're running out of scoth tape)

SERIOUSLY, I HOPE YOU ENJOYED WHAT YOU HEARD ...OUR "ALL HIT RADIO" FORMAT IS TAKING PORTLAND AND VACINITY BY STORM. KEEP UP WITH YOUR HOBBY, AND THE NEXT TIME YOU PICK US UP, LET ME KNOW...I'LL TRY TO BE MORE PROMPT WITH AN ANSWER.

SINCERLY,

ERIC SNOW
PROGRAM DIRECTOR
ASST. ENGINEER
OPERATIONS DIRECTOR
ETC., ETC.
