DEAR MR. MORSS:
RECEIVED YOUR LETTER OF THE SEVENTEENTH (17) OF DECEMBER
REGARDING THE RECEPTION OF RADIO STATION WDME.

WE WERE VERY PLEASED, TO SAY THE LEAST, THAT OUR SIGNAL
WAS RECEIVED THAT FAR AWAY. HOWEVER, AS YOU MUST KNOW THAT
HQ 150 HAS A LOT TO DO WITH IT.

AS YOU MAY WANT TO MAKE ANOTHER ATTEMPT AT SOME FUTURE
DATE, HERE IS OUR OPERATING SCHEDULE:

MON - SAT, 6AM-10PM

SUN 7AM-6PM

ALSO WE ARE ONLY RUNNING 250WATTS WITH GATES EQUIPMENT.

THE OTHER STATION YOU MENTIONED, WFAU IS IN AUGUSTA ABOUT
SIXTY MILES SOUTHWEST OF US AND RUNNING 1000 WATTS. I M
TRULY SURPRISED THAT WE WERE ABLE TO GET ABOVE THEM..

THANK YOU FOR YOUR INTEREST AND TAKING TIME TO WRITE TO
US CONCERNING OUR SIGNAL.
FROM ALL OF THE STAFF AT WDME, HAVE A PLEASANT HOLIDAY.

SINCERELY

MERLAND CLARK JR ENGINEER
