Sir:

This letter verifies your reception of WMER-AM on September 19, 1981. Your reception report is accurate, right down to the minute and program.

WMER-AM is an all news format daytime station running 5,000 watts. Within the next few months, we are moving our tx site, and will be operational 24 hrs a day, on the same frequency and power level.

Thankyou for your signal report.

Enjoy.
