Mr. Stanwood R. Morss
R. F. D. #3
Bradford, Massachusetts

Dear Sir:

I was most gratified in receiving your letter and tape and to note that our station was heard in Bradford this past Wednesday. It is especially gratifying when when we note that WMKR was operating on low power, at that time 250 watts. Please except this letter in place of a verification card.

Yours truly,

Jasper M. Haynes
Station Manager
