Bradford, Mass.

Dear Mr. Morss,

This is to confirm your reception of radio station WQDY,
Calais, Maine.

WQDY operates on 1230 kc with 250 watts of power. Our
transmitting antenna is a cross sectional guyed type 150'
in the air, series fed.

We are planning to go to 1,000 watts of power, and we are
looking forward to holding another DX test to check on
our increased coverage.

Thank you for your letter, and I am very sorry I took so
long in sending this but due to things beyond my control
I was unable to up to this time.

Yours truly,
Dale H. Wing
