Dear Mr. Morss:

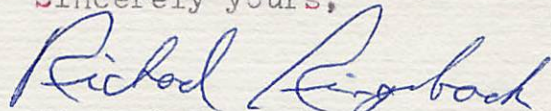

On behalf of WYNZ Chief Engineer Ronald Malone, I wish to thank you for your reception report dated January 29, 1981. This letter verifies reception of our signal on January 29, 1981 between 6:20 and 6:49 p.m. EST. Please forgive the lengthy delay in responding.

At the time you heard us, our station (970 kHz; 5-kw; daytime non-directional, nighttime directional) had just been purchased by its present owners, Eastport Broadcasting Corp. On Valentine's Day, 1981, we switched our network affiliation to CBS and our format to the increasingly-popular syndicated taped "Music of Your Life" service (traditional Adult MOR pop hits of 1938-1975). Since then, we have added a superb four-person local news department, and have become the Greater Portland outlet for the Boston Red Sox, Boston Bruins, Boston Celtics, and New England Patriots.

We also co-own and operate a sister FM station, WYNZ-FM (100.9 MHz; 3-kw ERP), nicknamed "Y101", with a semi-automated soft adult rock format. Both stations are having tremendous impact in this market, much to the delight of many folks.

Thank you again, Mr. Morss, for your kind letter, and we hope you can tune us in again soon to enjoy the "Music of Your Life".

Sincerely yours,

Richard Ringenback
