November 29, 1946

Mr. S. R. Morse  
Route #3  
Bradford, Mass.

Sir:

Received your card of November 26th. Our station was on the air at that with a test broadcast. No voice announcement or music was used. Only a steady audio frequency tone was put on the air. At times nothing except the carrier was on. We did not send our call letters in code and if you hear this again please let me know.

We are always glad to receive reports and will welcome any future ones that you may send in to us.

Sincerely yours,  
THE ADRIAN BROADCASTING COMPANY
