Operating at 500 Watts, 1260 Kilocycles

OTTAWA BROADCASTING CO.

U. S. 31 at James St. —Holland, Michigan

July 10, 1959

Mr. S.R. Morss,  
R. 3  
Bradford, Mass.

Dear Mr. Morss:

We are in receipt of your letter regarding reception of our station. We are expanding to 5000 Watts and are doing nighttime testing.

Thank you for writing us. We are always happy to hear from our listeners.

Very truly yours,

STATION W J B L
