

Greater Muskegon Broadcasters Incorporated

1090 K.C. 1000 WATTS

MUSKEGON, MICHIGAN

Feb 3, 1948

Mr. S. R. Morse
Bradford, Mass.

Dear Mr. Morse:

We are pleased to verify your
reception of our signal on Aug 2, 1947.

I am sorry that we have been so
negligent in answering our Q & X letters but,
like every radio station that goes on
the air when they are only half ready,
we are struggling to get it completed.

Sincerely

W. L. Kessler
Chief Engineer
