Mr. S.R. Morss
Bradford, Mass.

Dear Mr. Morss:

Thank you for your reception letter of 2/3. We were transmitting a test program at that time and I'm happy to verify you, you were right in every way.

As far as KKHI is concerned, are you sure that wasn't KKJO of St. Joe Mo? They are transmitting a test program at exactly the same time as we are every month and usually drown us out to the west of us. Just about every report from the east coast lists KKJO as interference, or else Canada's CBE.
Thank you once again, S.R.
