Mr. Stanwood R. Morss
R. R. 3
Bradford, Mass.

Dear Mr. Morss:

Terribly sorry your report hasn't been verified before this. I don't have the original reports that were received; so I'm taking the liberty of answering the seconds and some thirds.

Your report for the test held January 20, 1958 is correct for the part that you could get. Station KOIL seemed to interfere for quite a few of the DXers.

Thank you for your report of reception of KBMO, Benson on January 20th, 1958, from 2:30 to 3:00 a.m. Central Standard Time.

Certainly sorry you haven't received verification sooner.

Yours very truly,

Station KBMO,

Irene Schlautman,
Office Manager.
