Dear Mr. Morss:

Thank you very much for your correspondence regarding KNUJ during its test period. As a matter of interest to you, perhaps, KNUJ was heard from Maine to Arizona and from Edmonton, Canada to Corpus Christi, Texas. Knowing that you would appreciate a verification of your communication, you may consider this letter as such.

KNUJ would be extremely interested if you are able to pick up our signal during the daylight hours.

Thank you again for writing us.

Sincerely yours,

A handwritten signature in cursive script, which appears to read 'E. M. Tobin', is written over a horizontal line.
