Mr. S. R. Morss
Route 3
Bradford, Mass.

Dear Mr. Morss:

Thank you for your letter of Jan. 17 indicating
that you had received our signal Jan. 16.

We are now conducting equipment testing, and the
musical selections you picked up are the ones we
programed for that night.

We are operating at 1000 w and 1500 kc.

Very truly yours,

J. B. Fowler
