Dear Sir:

This is in reply to your recent request for verification of our transmitter equipment test.

We were very glad to receive your report, and want to thank you for your interest in sending it to us.

The equipment we are using at KWRE, Warrenton, Missouri, is of Gates make, using a single 250TH in the final, shunt fed to a 280-foot guyed tower.

Thanking you again, I am

Very truly yours,

Calvin S. Morris
