Dear Mr. *Morse* Ross:

Received your letter reporting the reception of our equipment test which we ran on March 28. For some unknown reason, we failed to receive the first letter which you said you wrote and sent to us. We appreciate very much your going to the trouble to get in touch with us the second time.

I'm happy to be able to tell you that your record of this equipment test is accurate, and it makes us proud to know that we reached you 'way up there in Mass.

Thanking you again for your writing us, I am

Very truly yours,

Mrs. Roland Atkins
