Dear Stan,

First, let us thank you for your interest in Radio, and in our station . This letter will verify your reception of our program test on January 8th. Your description of the program was very accurate. I am glad we could conduct the test for you and the members of the National Radio Club. To all members and to you we wish the best of luck. 73, and best DX'ing. We remain,

Very Truly Yours,

Lawrence K. Vassy, Chief Engineer
