Dear Sir:

This is to acknowledge your letter reporting reception of our station and we thank you very much.. I have checked the log and find your report correct. We are glad that you heard our signal and if you ever do again, we would like to know about it. I have been delayed answering these reports because I spend most of my time at the transmitter, and getting a new station on the air is some job.

Sincerely,

*John H. Thomas*
