Mr. S. R. Morss,
R. 3,
Bradford, Mass.

Dear Mr. Morss:

Your reception report of our test broadcast on the morning of March 8th was greatly appreciated. It was essentially correct, and you may consider this letter as your verification of reception.

You have a fine receiver in the SX-42. WEWO uses one too. Thanks for participating in our audience that morning. Best of DX to you.

Very truly yours,

Truman Brock
