

**WFMC**

1000 Watts on 730 kc

Southern Radio & Television Corp.

Goldsboro, N. C.

November 10, 1951

Stanwood R. Morss  
R-3  
Bradford, Mass.

This is to verify your reception of WFMC on October 24, 1951, while we were conducting equipment tests.

WfMC is an independent, daytimer, operating on 730 KC, 1000 watts, non directional. We will begin program tests Sunday November 11.

Thanks for your reception report, your interest, and your good wishes.
