Dear Sir:

After checking our transmission log for the Morning of November 24, 1947, we are pleased to verify your reception of WILX from 2:07 AM. to 2:27 AM, EST.

WILX has been operating for approximately five months, and is an affiliate of the Mutual Broadcasting Company. We, of course, operate with a power of 250 watts, on a frequency of 1450 kilocycles.

We sincerely appreciate your report of our transmission, and hope to hear from you again in the future.

Very truly yours,

*James E. Brunson, Jr.*
