Bradford, Massachusetts

Dear Mr. Morss:

We received your letter the morning of October 27 and appreciate your writing and telling of your reception of our station. We are a new station, we came on the air June 27, 1963 with 1000 Watts, 1470 KW.

Your reception of our stations signal were correct to the second. We have no early morning frequency check period. We are a daytime station and were on the air through the courtesy of the FCC in Washington, D.C. on the night of October 25 for the purpose of public service for Hurrican Ginny.

Very truly yours,
