July 27, 1951

Dear Mr. Morss:

I am sorry that you failed to receive a letter of verification on your reception report of October 18, 1950.

Checking back on our records I find that on October 18, 1950 we did have a test program on which began at 3:27 AM with the National Anthem and sign-on. The program ended at 4:39 AM.

I have no records now of the actual music played on this program but from the time of station breaks and the weather forecast I would say that your report was correct.

Thanks for writing and we are sorry about the delay.

Yours truly,  
 W. B. Harrell  
 Chief Eng.
