Mr. Morse:

WRRF is happy to verify your reception of our frequency check program on Oct. 12, 1943. Your logging is accurate and correct. I see by your report that you are a member of the National Radio Club. How do you join it. I am a DX'er and would like to join your club. I have an EC-3. We are going to sponsor a DX'er's program on one of our frequency check programs soon. Our frequency checks occur the 2nd Tuesday of each month from 4:30 to 6:00 A.M. WRRF is a 1000 watt daytime station.
