Mr. Stanwood R. Morss
Rural Route # 3
Bradford, Mass.

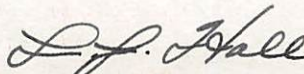

Dear Sir:

We were pleased to receive your report of reception and regret the delay in confirming same but as you understand we are head over heels in consturction. Your log of our signal is accurate. We were rather surprised at the good signal you were able to receive at that distance.

Thank you for the report of this reception.

Yours very truly,

RADIO STATION WWOK
