S. R. Morss
Rt. 3
Bradford, Mass.

Dear Mr. Morss:

"Cutie" Radio woke up early the morning of January 13, 1958, bawled from 3:00 a.m. till 4:30 a.m. CST; but was fed and returned happily to bed.

"Cutie" is just two months old now, but making very good progress for a youngster. She lives at 1320 in Minot, North Dakota, and has 1000 watts, compliments of the Collins Company.

She enjoys music and news very much but her Dad says she must retire at sundown. We are looking forward to the day when "Cutie" gets a little older and can stay up all night as well as all day. Thanks for your help in tending "Cutie."

In all sincerity, our thanks for your response. This letter will verify your reception of KQDY (Cutie). Thanks for listening and best wishes to you and the NRC. May we extend our invitation in print as we did on the air - Visit the "Cutie" family whenever you're in North Dakota. We also extend our apologies for the lateness of our response to your letter.

Sincerely,

The "Cutie" Family
