Dear Stan:

We were very pleased to receive your letter reporting reception of our special dx broadcast conducted on October 27, 1955 from 2:00 until 3:30 A.M. CST.

We have checked your report with our test log for this period and it has been found to be correct. Therefore, we are pleased to verify your reception of KAWL at your location.

Reports were received from 45 dxers in the following states: Alabama, Arkansas, California, Colorado, Florida, Illinois, Iowa, Maryland, Massachusetts, Nebraska, New Jersey, New York, Ohio, Oklahoma, Oregon, Pennsylvania, Tennessee, Washington, and 2 reports from Ontario.

This station is owned and operated by the Prairie States Broadcasting Company, soon to begin operations of a new radio station, KRSL, in Russell, Kansas on 990 kilocycles.

York is a city of approximately 6400 people and is located in the heart of one of Nebraska's richest agricultural areas, pioneering in irrigation. York has been give the name, "The Nations' Egg Center."

KAWL is located at the south edge of town on Highway 81. If you ever have the opportunity to visit our area, drop by. Our antenna is 200 feet high and our equipment is mostly Gates.

We enjoyed very much putting on this special dx broadcast for the National Radio Club. We wish to thank you for your kindness and co-operation in listening and reporting on our signal.

Good luck to you in your future dxing activities and may you have the best of holiday seasons.

Yours dxingly,

*Marvin E. Robbins* *Maurice W. Nittler*
