Dear Sir:

I received your letter this morning in the mist of a blizzard. Blizzards in April are not uncommon in this North Country of Berlin, N.H.

In reading your letter and considering the distance between and the fact that WBRL Radio is 250 watts you were amazingly accurate about our programming. Here is a brief rundown of our dinner hour programming:

- 4:55P.M. LOCAL NEWS IN FRENCH
- 5:00 P.M. NEWS FROM ABC (AMERICAN INFORMATION RADIO NETWORK)
- 5:06 P.M. DREES ON SPORTS (JACK DREES) (SPORTS END AT 5:10:45)
- 5:11 P.M. RENE'S AUTO SALES (snowblowers)
- 5:12 P.M. GORHAM HARDWARE
- 5:13 P.M. TOWN & COUNTRY MOTOR INN
- 5:15 P.M. BERLIN YOUTH HOCKEY WRAP-UP (5 minutes of local hockey sponsored by news carried on both radio and television)  
McLaughlin Chevrolet--Buick
- 5:26 P.M. McDonalds Restaurant

This is a brief rundown of the log for Wed. November 17, 1971.

Cordially yours,

Michael Martel
