Bradford, Mass.

Dear Mr. Morss:

This acknowledges with thanks your letter of the
13th November.

We are pleased to confirm your report of WCNL
reception on the 13th.

The identifications which you gave us are adequate
to establish your reception of our signal. We are
delighted to know that you were able to get our
daytime programming this far away from the 250 watt
transmitter.

Your interest in WCNL is appreciated. If you are
ever up this way, please drop in and make yourself
known; we would be happy to see you.

Cordially,
