Franklin, N.H.
Sept. 11th, 1969

Dear Mr. Morss -

This is to confirm your reading of W F T N on
January 24th, 1969.

I regret that you were not able to get a response
earlier. W F T N has changed hands, and the previous
management evidently did not realize the value of our
Q S L friends.

Thank you for your letter and your interest in
W F T N.

Sincerely,

Pierce Burgess
