August 4, 1988

Dear Mr. Mops,

With regard to your monitoring of our radio station WNNW 1110 AM.

I have received your monitor report dated July 21, 1988, and have made the necessary recommendations to our engineering department to improve our reception in your area.

I appreciate your comments and look forward to future correspondence regarding our signal.

Positively Yours,

A handwritten signature in blue ink, appearing to read 'Partrick J. Costa'. The signature is fluid and cursive.

Partrick J. Costa
