Dear Sir:

Thank you for your letter of 12th. Very sorry, but I was not aware of your previous letter of October.

Have checked our logs for the date of October 31, 1971, and find your monitor report is exact. Thank you very much.

We have been granted our FM CP and expect to be on the air in the early summer on 92.1 K.

Very truly yours,

Malcolm S. Tobey
