Dear Sir:

Your letter of November was recieved. A check of logs shows the information supplied was correct. W C R V was on equiptment test on November 11 , 1957 at 1:44 am est.. log shows musical selections you submitted.

It is a pleasure to verify your reception of W C R V .

Very truly yours

James Beattie C.E.

Would like to co-operate with the National Radio Club with a DX test but being a commercial day-time AM operation we do not have staff always available at that ungodly hour of the morning. Recently we converted from 250 to 550 and have been working out bugs at irregular intervales.. this has taxed the staff. for this reason we can not at this time and especially on Christmas morning Beattie
