Dear Mr. Moss:

Thank you for your recent letter reporting reception of Test Run 2/3/9, 128 am to 140 am. It is quite correct.

We hope to be on the air early March. At present, I am unable state the exact date - Nor, am I able to date any further tests. However, I will endeavor to advise you on final arrangements.

Again, thanking you for your interest

Very Truly Yours,
