Mr. S.R. Morss
R 3
Bradford, Mass 01830

Dear Mr. Morss,

Thank you for your DX reception of our station. Presently we are operating daytime at 600 watts and 250 watts at night. The sky wave of this station has traditionally been very good and we expect it to improve with the new equipment we are installing.

Thank you for your correspondence and I hope to here from you soon.

Sincerely,

A handwritten signature in red ink that reads 'Ben Hill'.

Ben Hill
Technical Director
