Dear Mr. Morss,

Received your report of our frequency check,  
March 7th, 2:00-2:15 am, MST.

Your report is correct, and this letter will  
serve to verify it.

I noticed that you sent 2 Air Mail stamps.  
If you sent the extra one because of my announce-  
ment about sending postage, I appreciate it, but  
I only meant to send return postage for your  
own letter, so I'm sending back the extra stamp.

Sincerely,

*Melvin E. Unger*
