Dear Mr. Morss

All the best wishes for the holiday season.

Thanks for your report of our frequency check program of November 15, 48.
An excellant report and I an glad to verify it.

We use a Collins 300-G to excite a two-hundred and fifty-six foot, vertical,
guyed, radiator and our transmitter is located right in the center of this
broad valley.

Thanking you again and please accept my sincere apologies for the tardiness
of this answer.

sincerly

Kenneth M. Dean
Chief Engineer.
