R3  
Bradford, Mass.

Dear sir:

This is to confirm your reception of KSVP, November 13, 1946.

You heard our equipment check, prior to going on the air November 14, 1946.

We are and will be conducting a frequency check each morning from 1.15AM to 1.30 AM MST for at least another two weeks.

Thank you for the report,

Yours truly

Burney Jones, Chief Engineer  
Radio Station KSVP
